

Technique of Relief

**Weapon of Choice**

**Finally!**

Even I can sense  
this is a powerful  
witch

We need a plan-

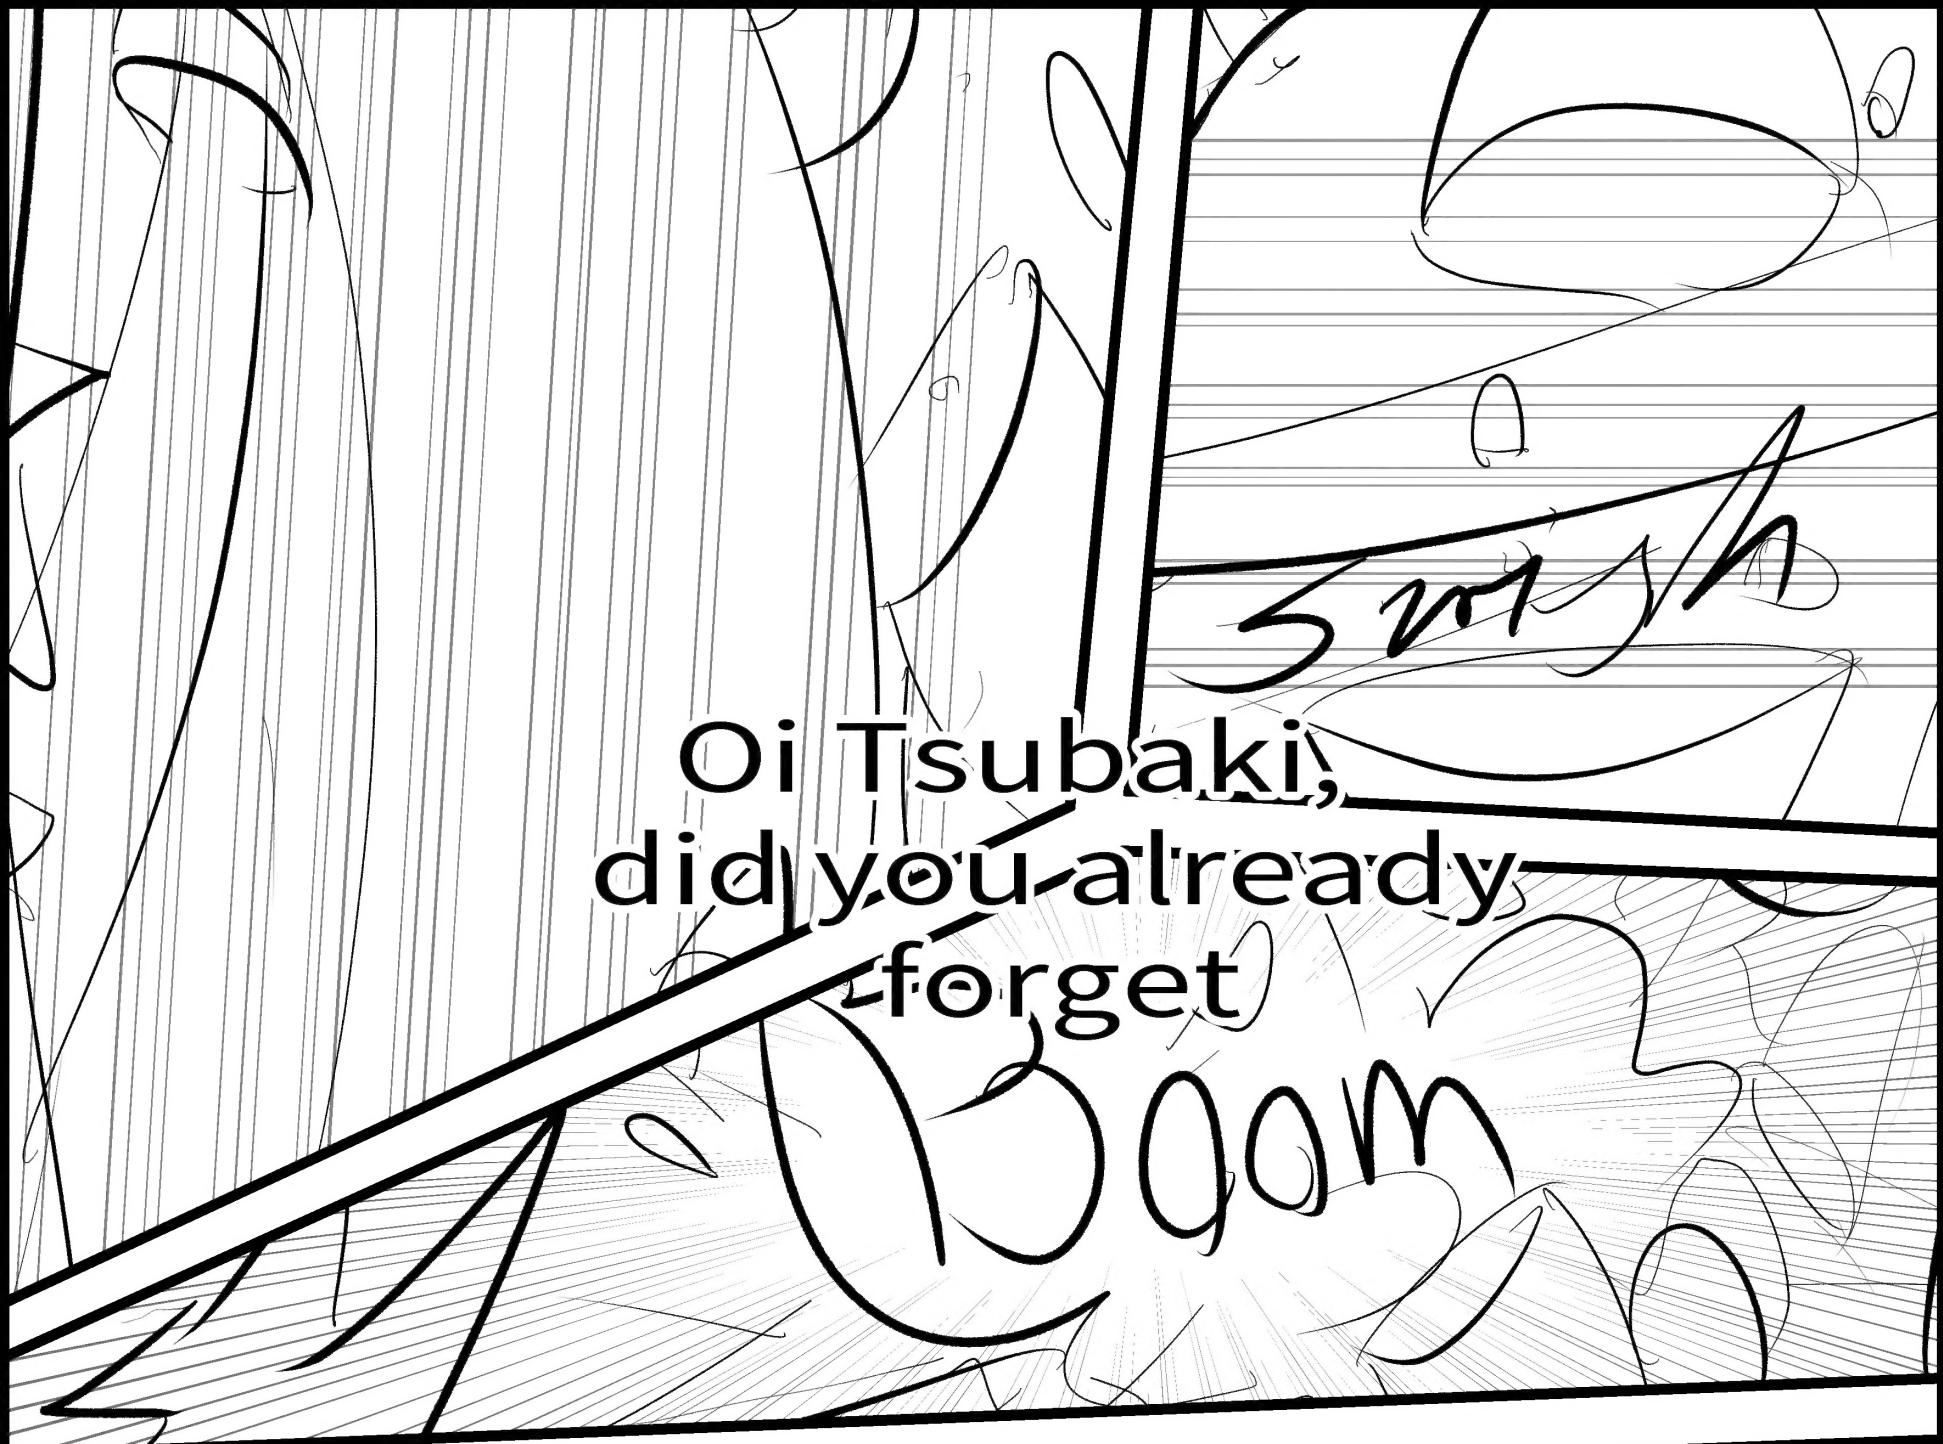

Yeah, that won't  
work with this team

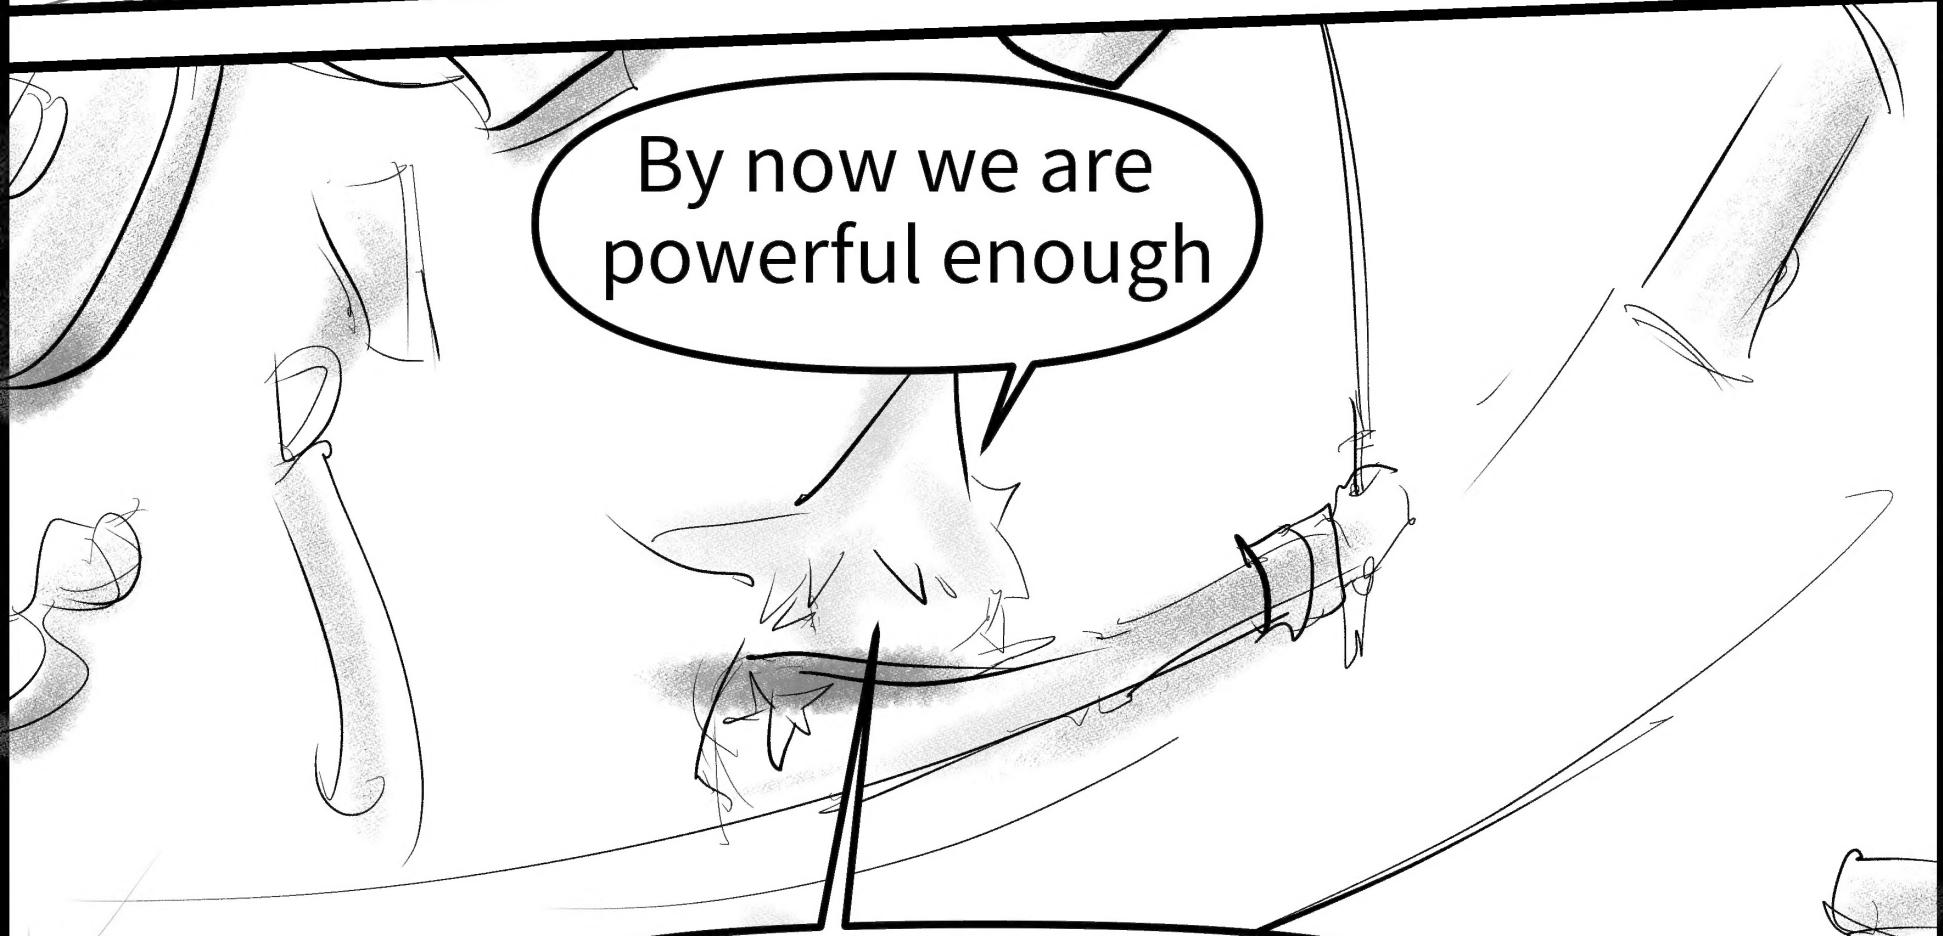

Yahooooooooo!

Black\*Star, please,  
atleast this one time

DON'T RUN STRAIGHT  
INTO DANGER!!!

Oi Tsubaki,  
did you already  
forget

By now we are  
powerful enough

to slay any lord of war

Maybe  
he's  
right

he  
he

Please Black\*Star,  
please consider what  
I have to say and-

Optimism  
makes YOU  
only more  
stupid

Look, I'll  
prove it!

Black\*Star!-

Yeah, this  
is a bad  
idea

No  
\*guipi\*

I know you're worried,  
so I'll make my actions  
speak louder than  
any words

And I'll  
gonna start  
with this  
average sized  
minion

step 1  
shm  
Oh how nice,  
nobody has ever  
called me that!

NO!

Don't die!  
Not in such  
a moronic  
way!!!

Oh, don't worry

huh?

Ofcourse a  
normal person  
would die from one  
drop of this highly  
concentrated  
sleeping gas

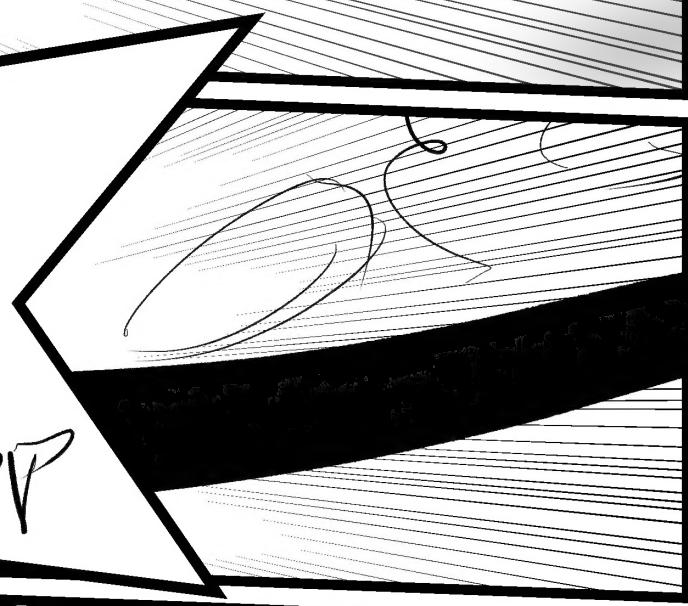

But a tough  
little guy as  
him will be up  
in half an hour

More than enough time to  
finish you before he wakes up in  
15 do to "surpassing all limits"

Bye

Bye,

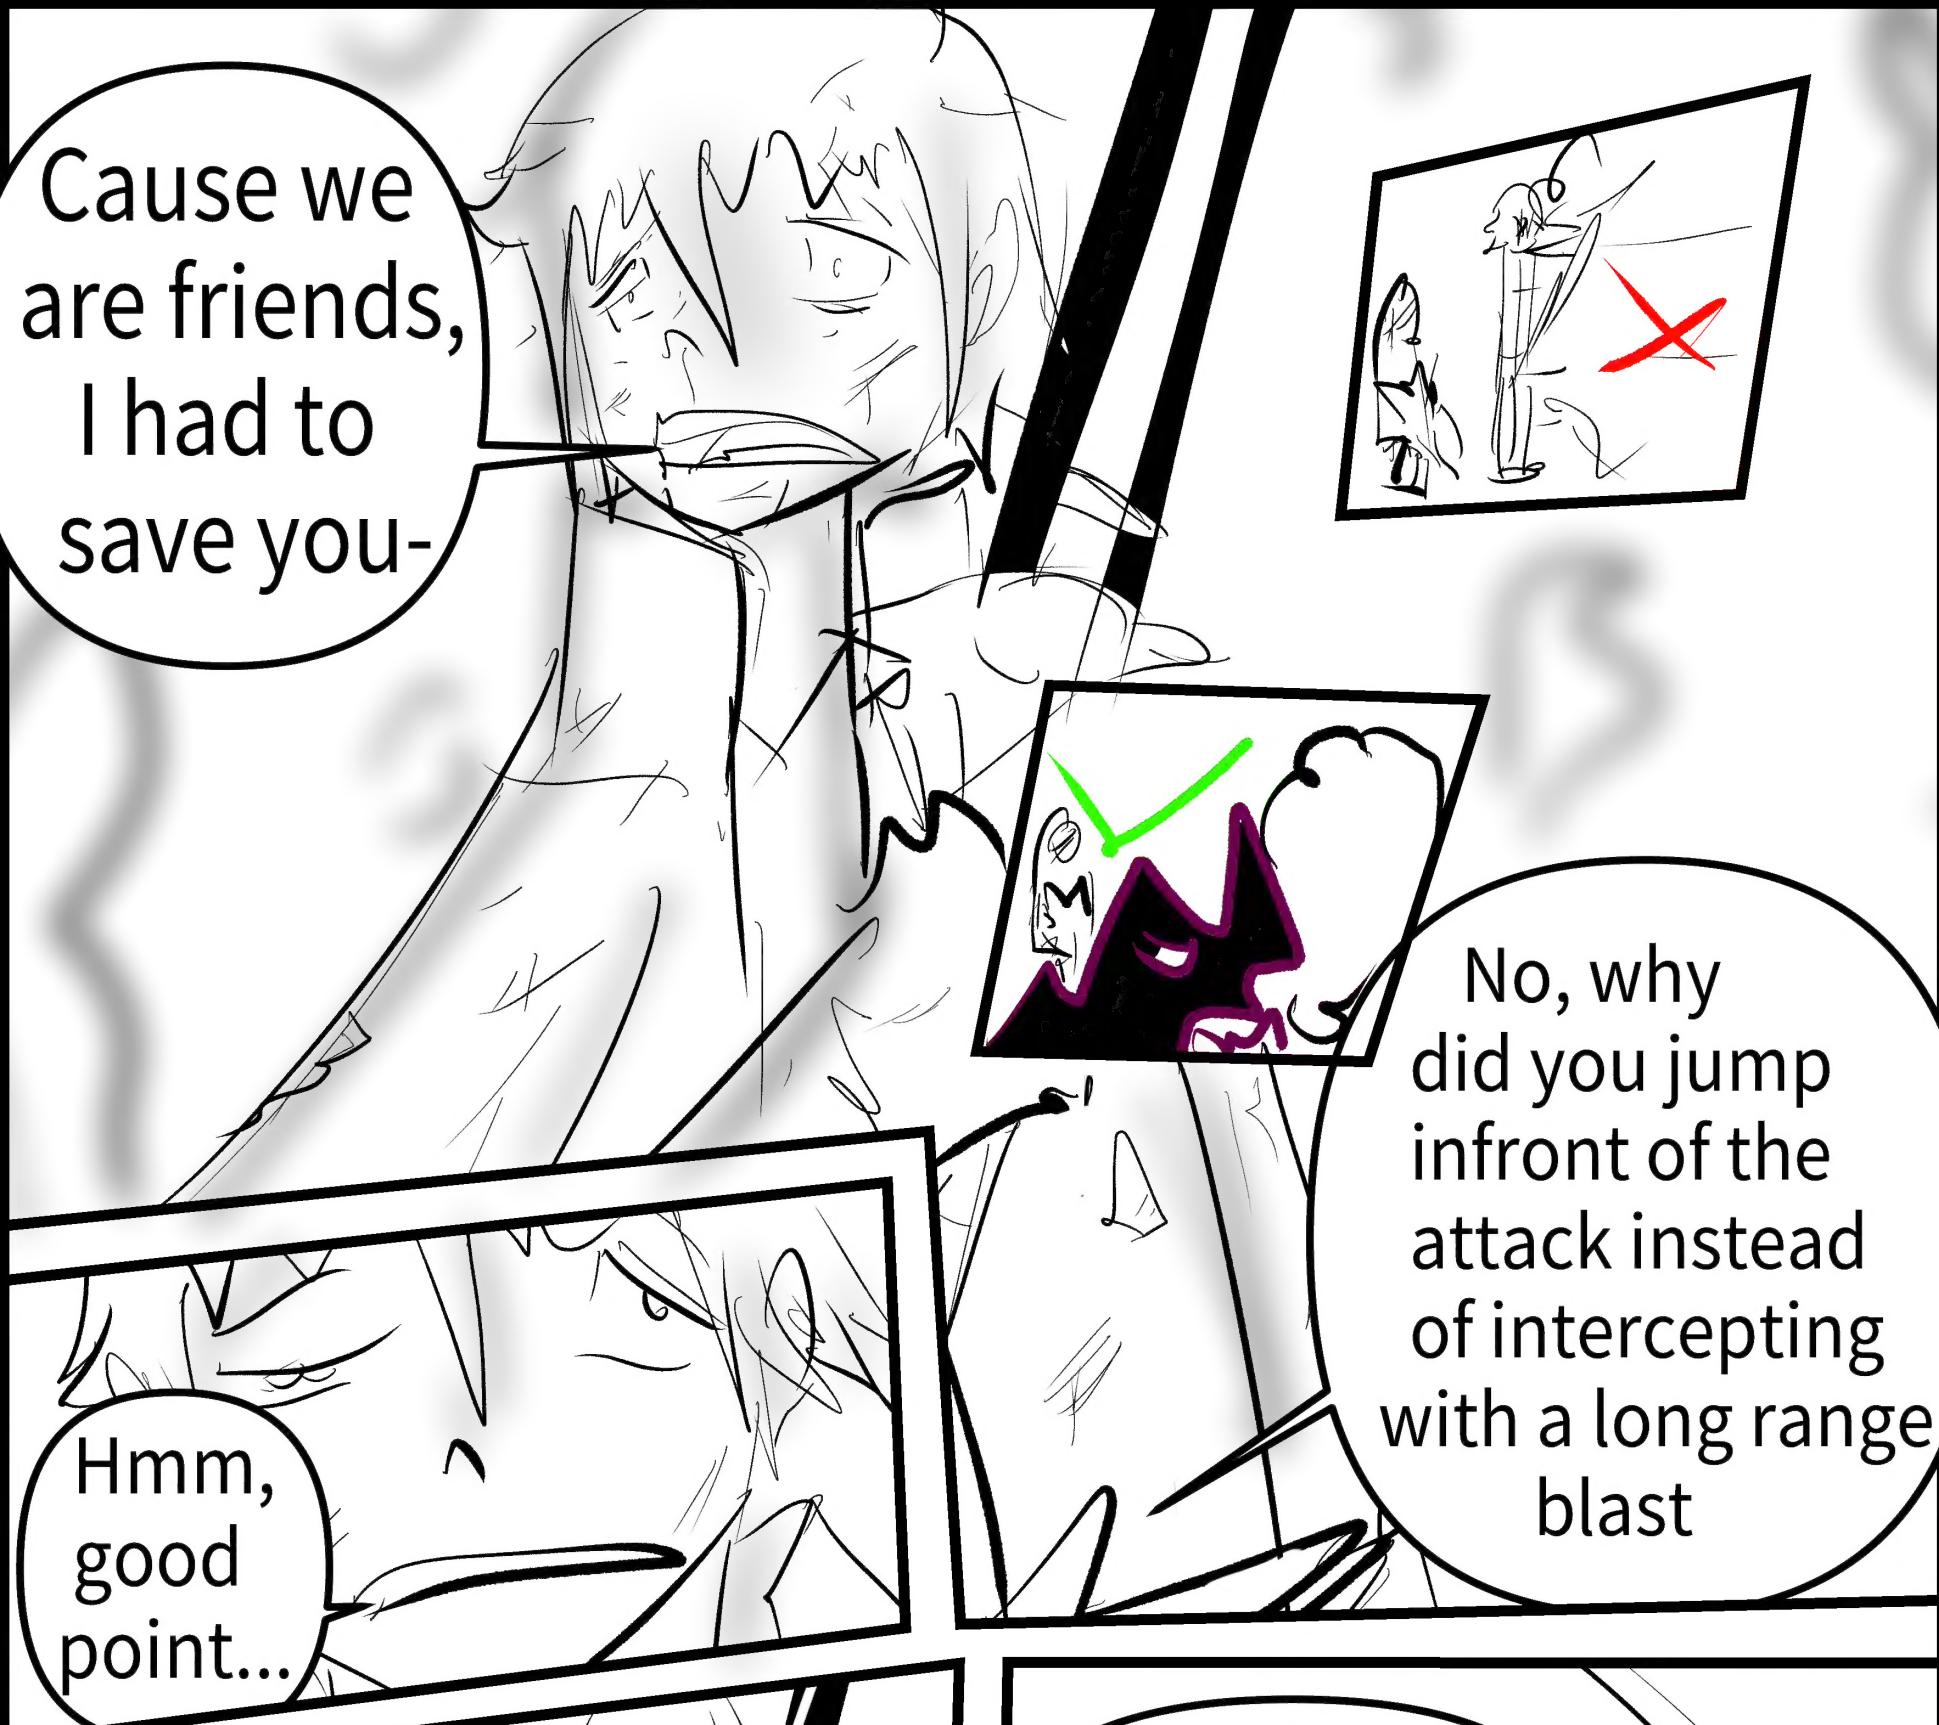

Cry

ugh.

That was close!  
Makes me appreciate  
shity movie cliches!

Crona... Why did you...

Ah shit Tsubaki,

Psst, better let me talk, I'm a weird blood sword, the weapon nut will find me more interesting, so you can run away-

"More interesting"

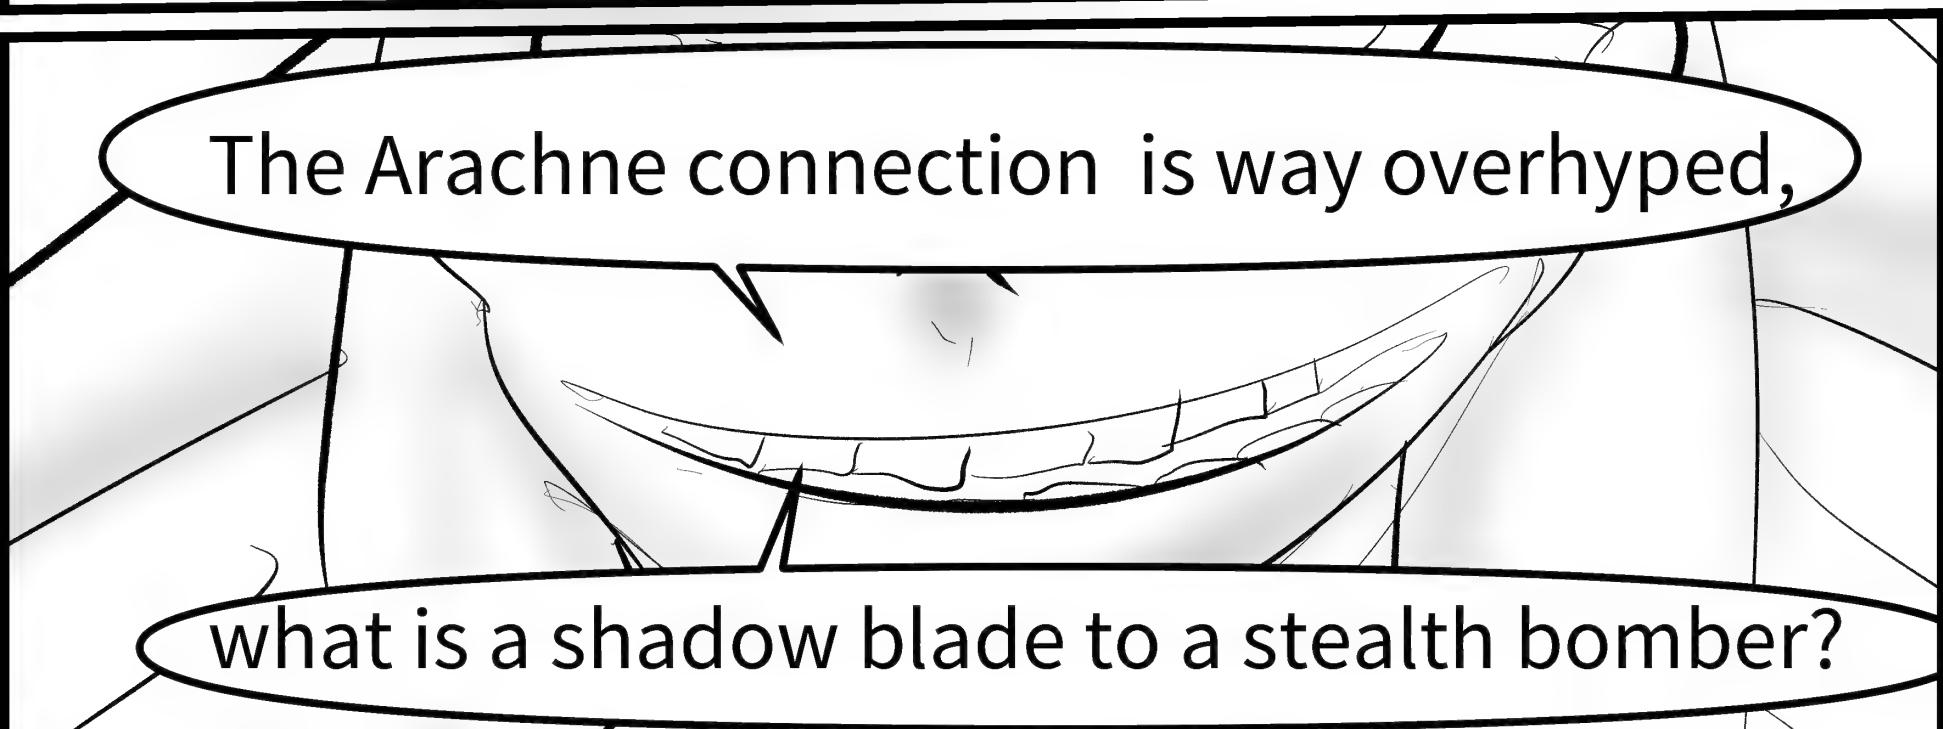

Talk less?  
Return to the school...

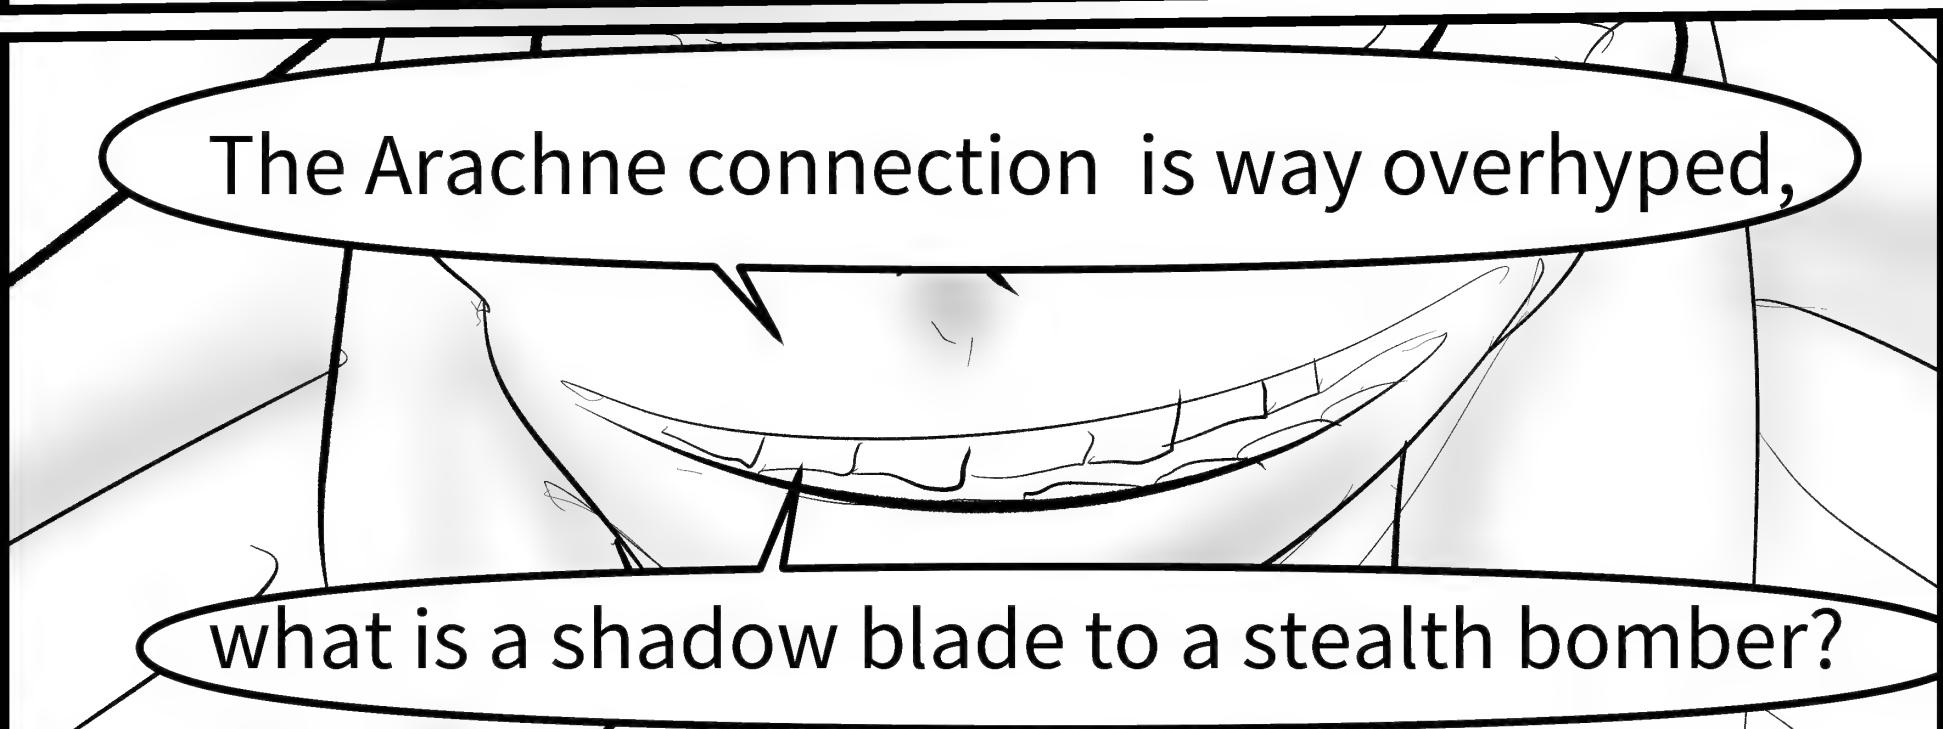

T-that's not what I ment, don't be stu-

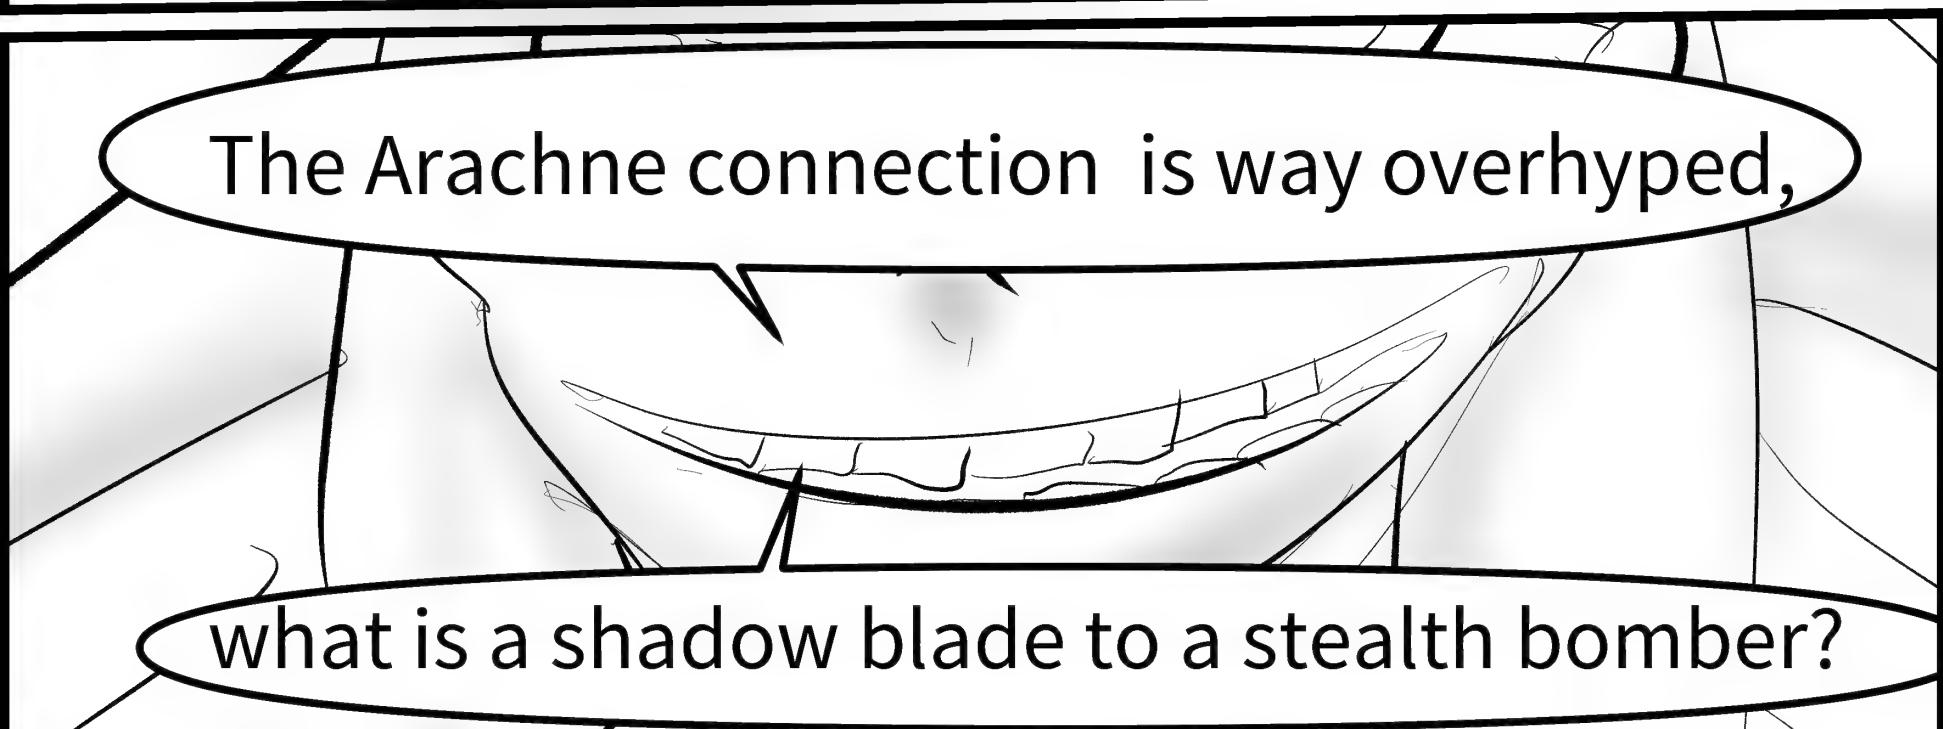

Hrrr, I-I'm the heir to an ancient bloodline, I-I-

Eh, don't flatter yourself

The Arachne connection is way overhyped,

what is a shadow blade to a stealth bomber?

All you are is a trophy,  
a docile shieldmaiden

CLICK

Basically - a comfort woman

Hmm, I missed

Maybe cause I missed  
the target of the offensive  
comparison....

Don't matter when  
I'm the one making  
history anyways!-

Tsu!  
You're  
allright!

Prepare yourself

YOU KNOW  
WHAT I MEAN,  
DON'T BE A  
BABY!

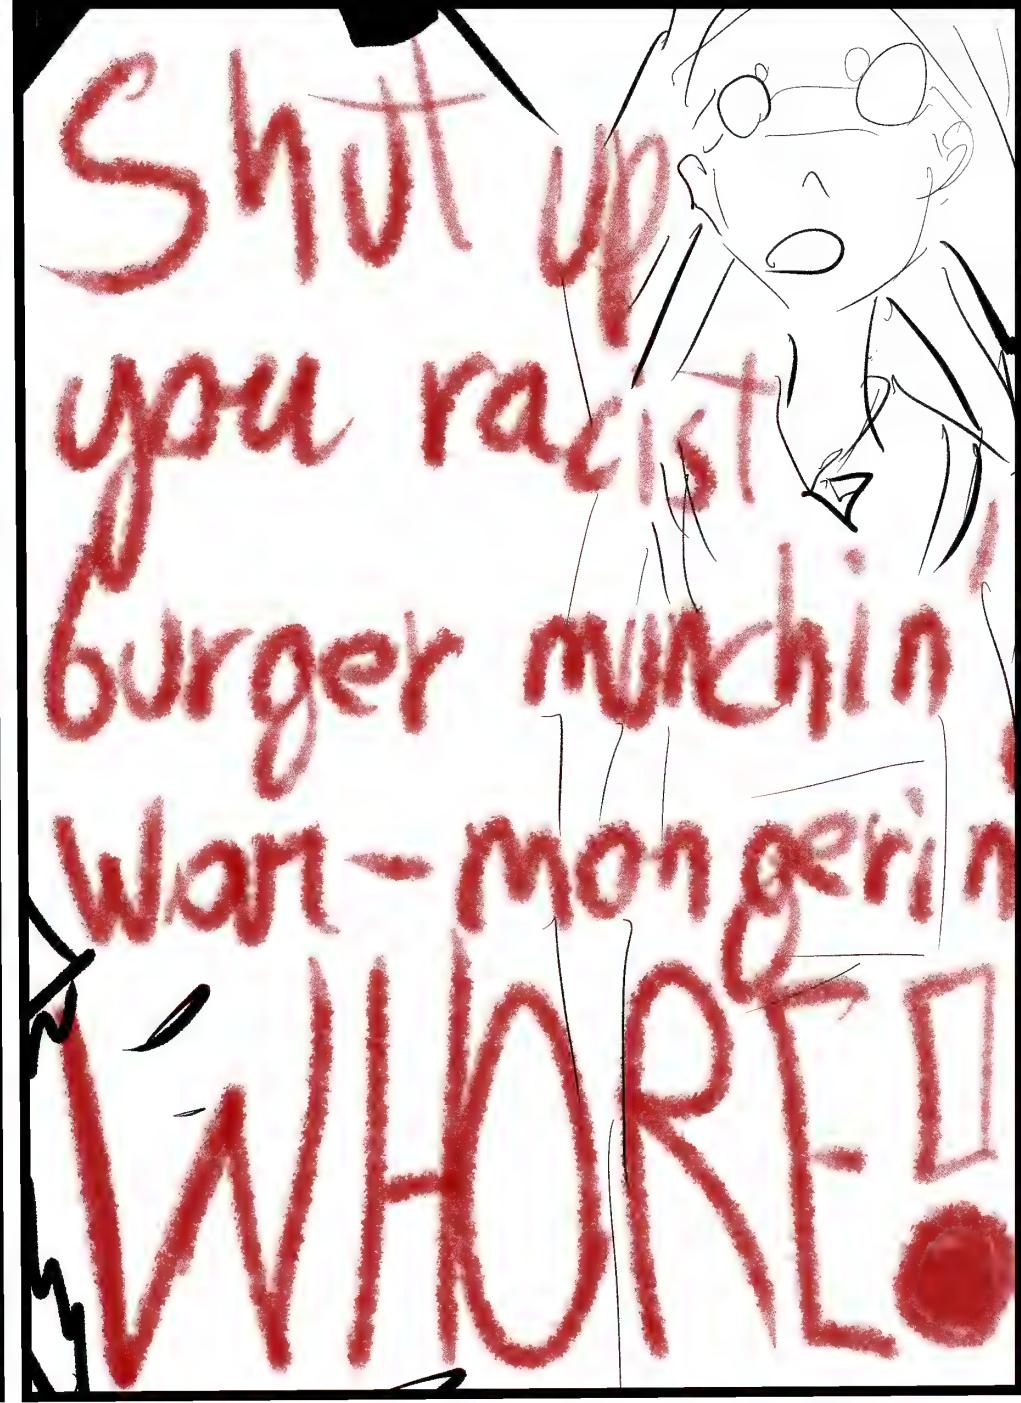

Hold up, you mean-

I-I'm j-just  
afraid of  
hurting-

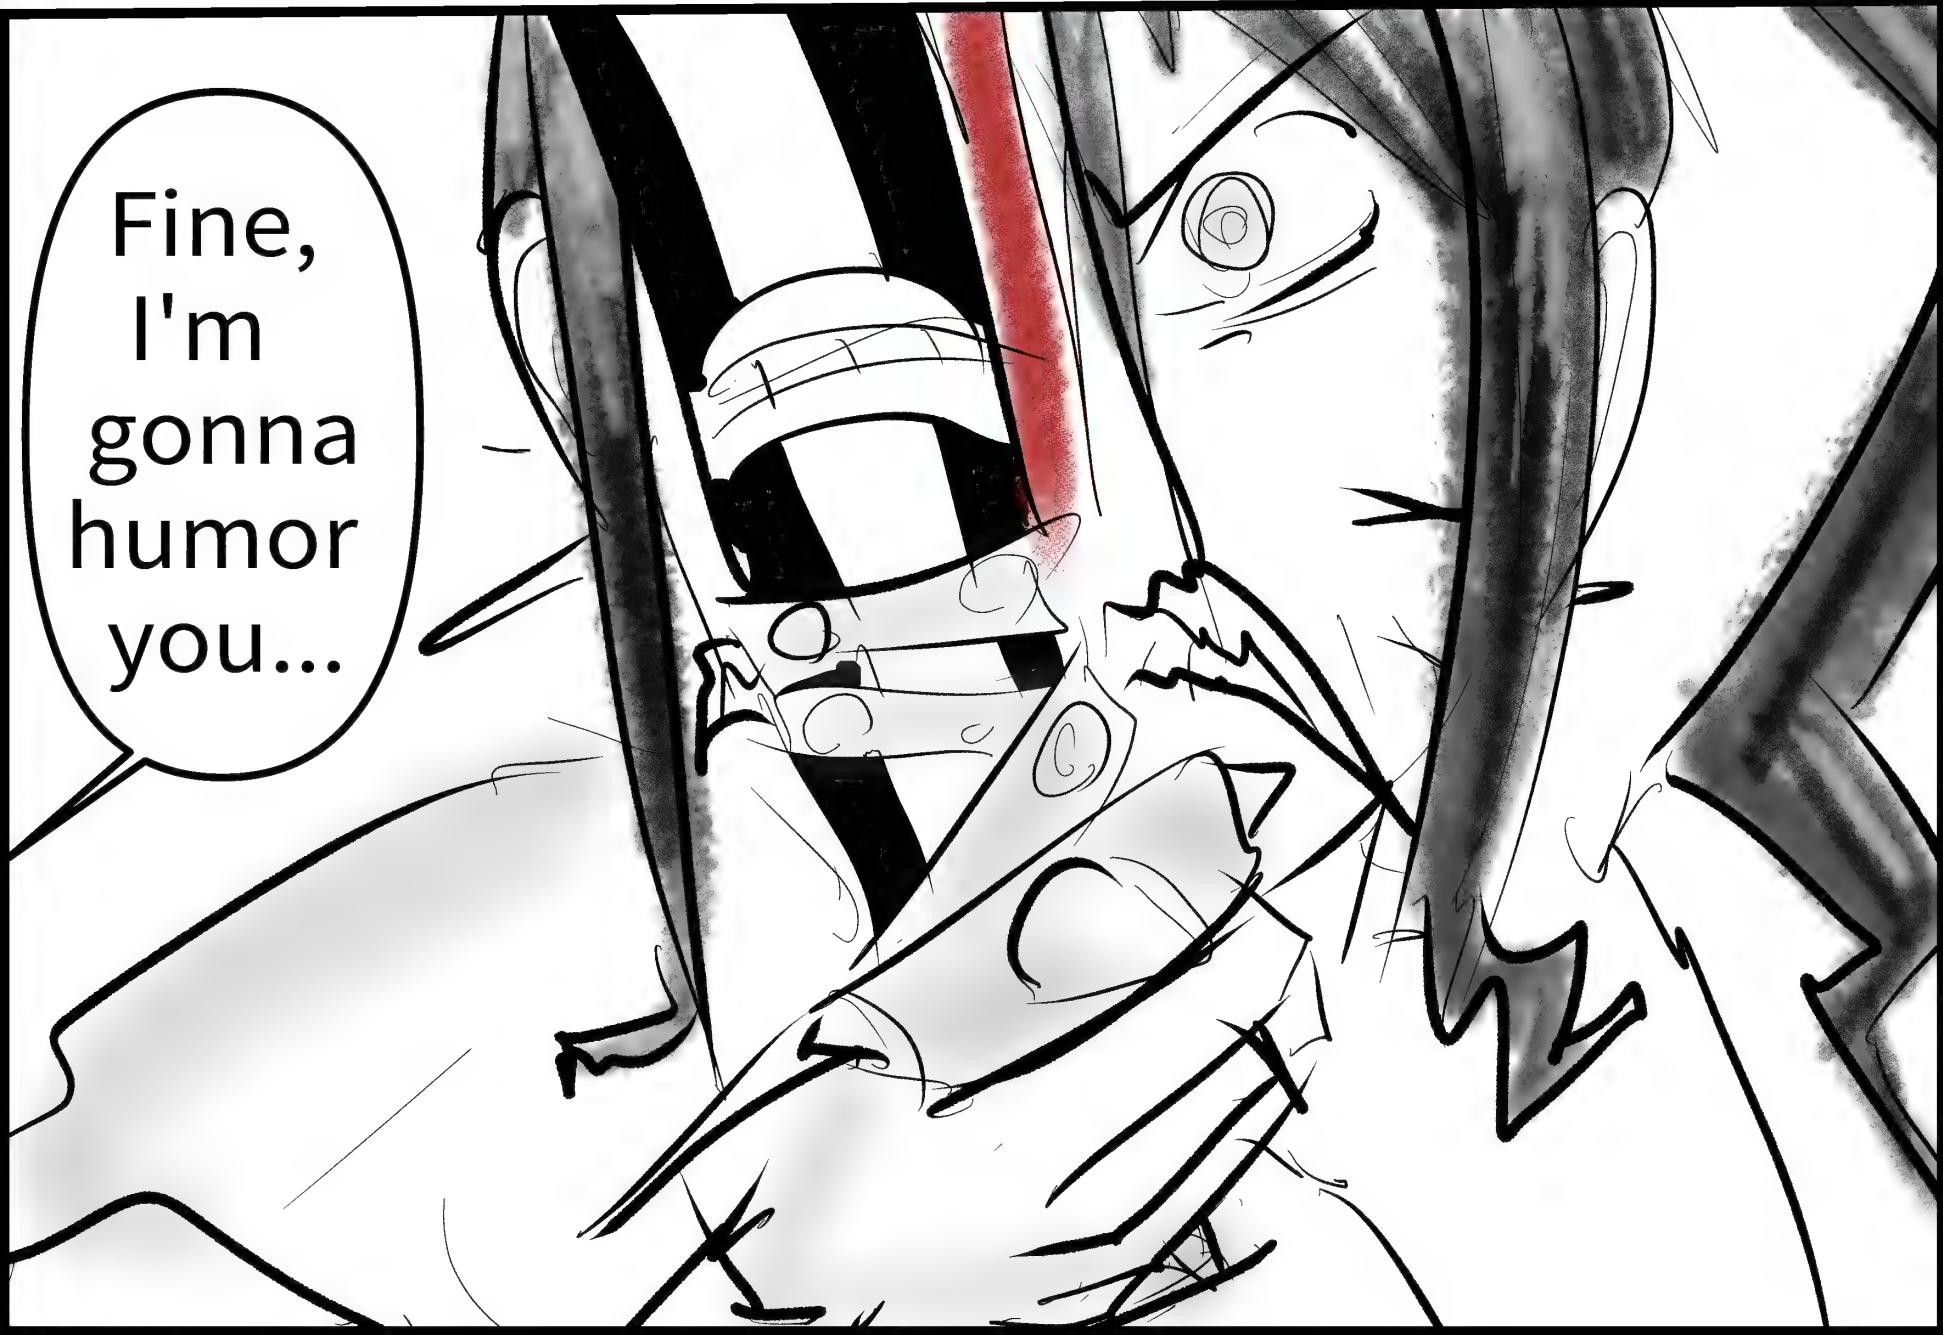

OH IT WI  
I'll be alright...

Aahaha, this  
is too funny, is  
this the so called  
way of Bushido? Or  
was it Panaso-

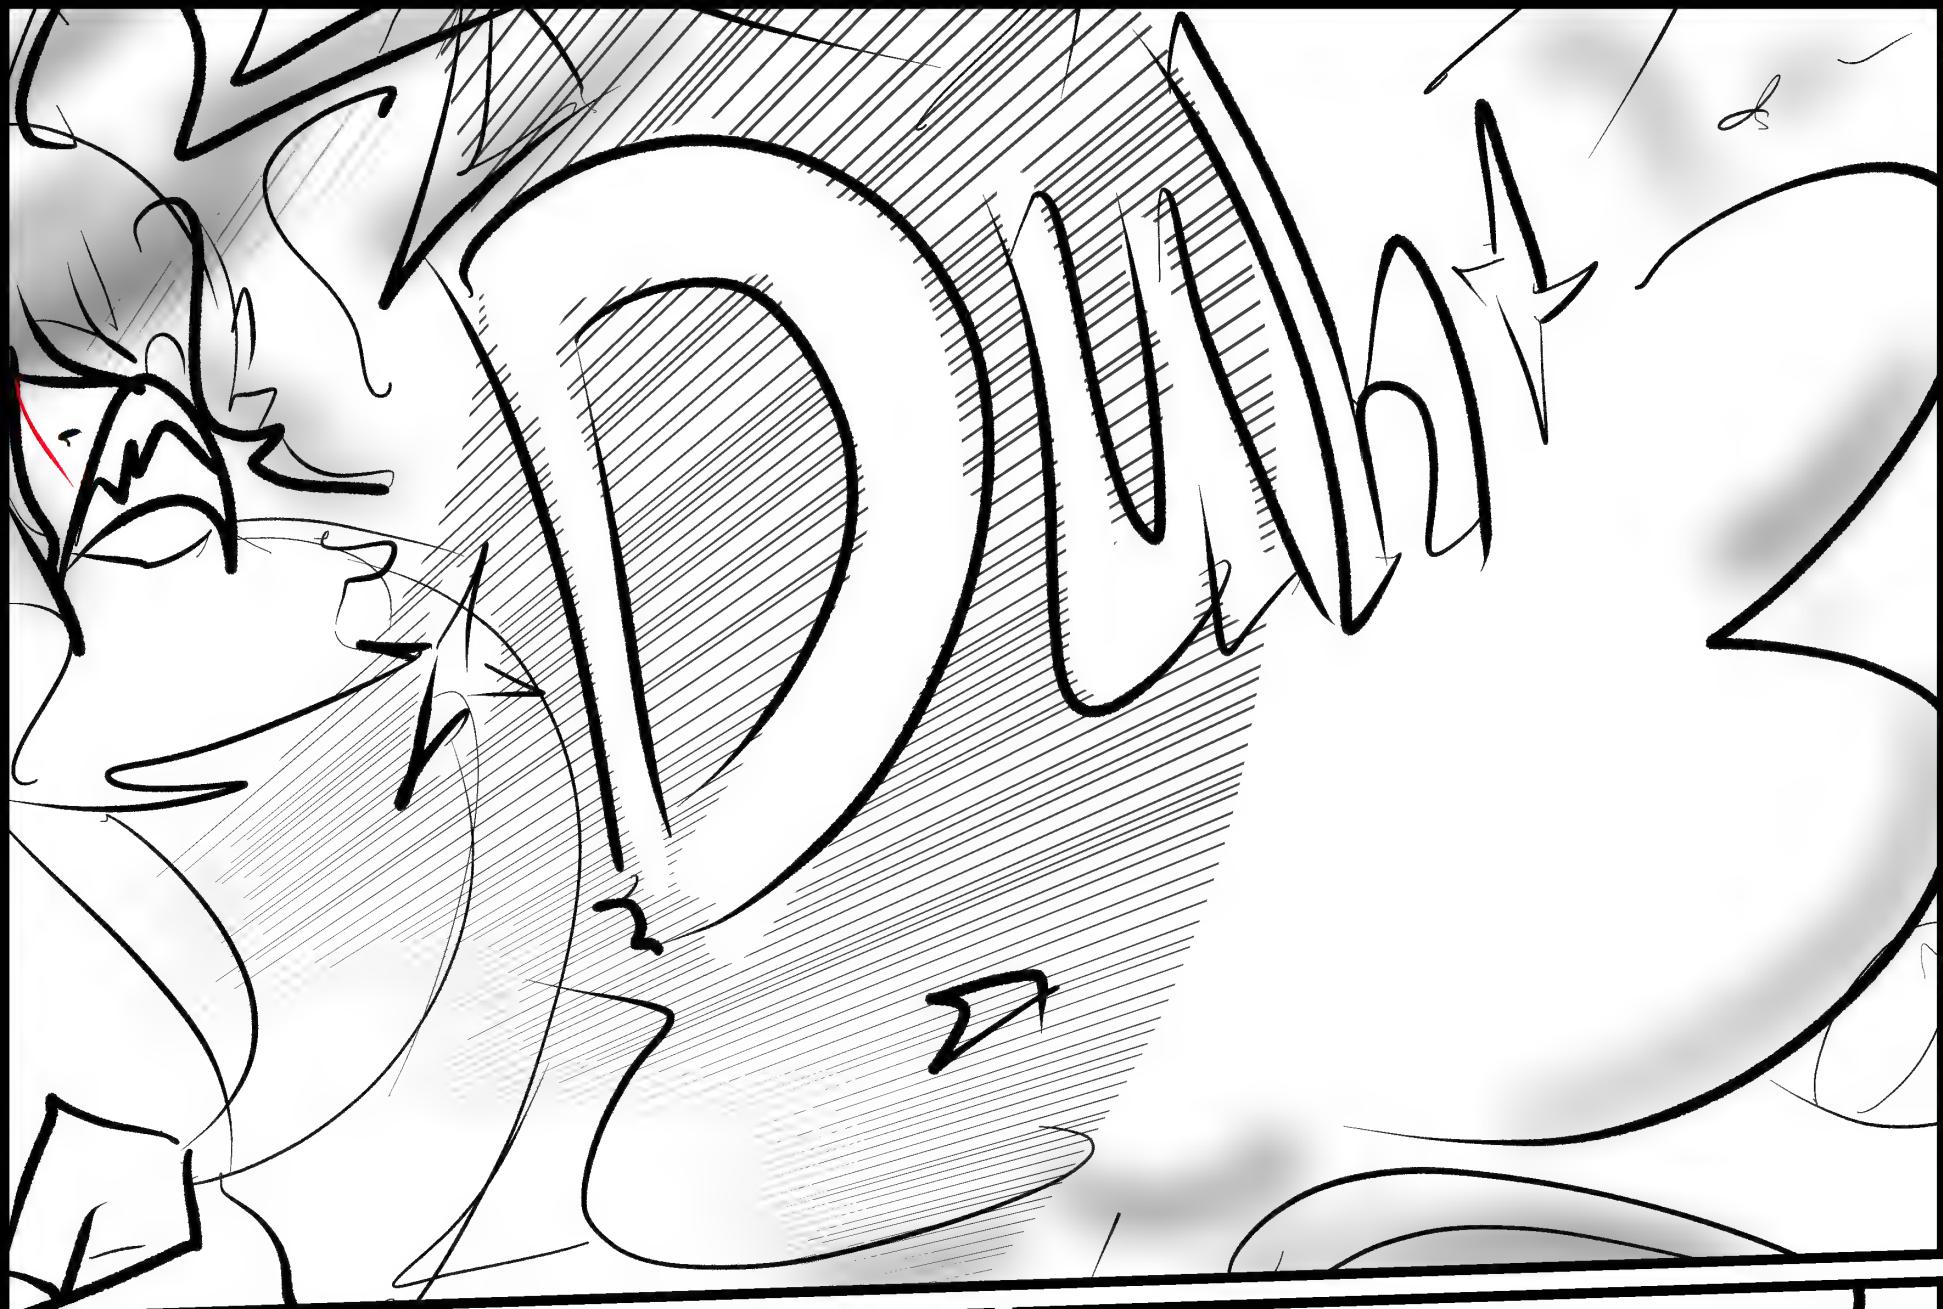

Shut up  
you racist  
burger murchin!  
Want-mongerin  
**WHORE!**

Fine,  
I'm  
gonna  
humor  
you...

First, go  
my brave  
soldier,  
show her  
true  
freedom!

She did all  
that without  
using the  
sword yet...

Did I forget  
to fortify  
the shell? Even  
if, all that just  
with a punch...

\*dubstep  
noises\*

Oh x Gulp!

Tsubaki!  
We have  
to jump  
back!

Followed by resonance

Wait, what-

MOM!!

Aaaah screw

Tch, here goes  
this quarters  
defense budget

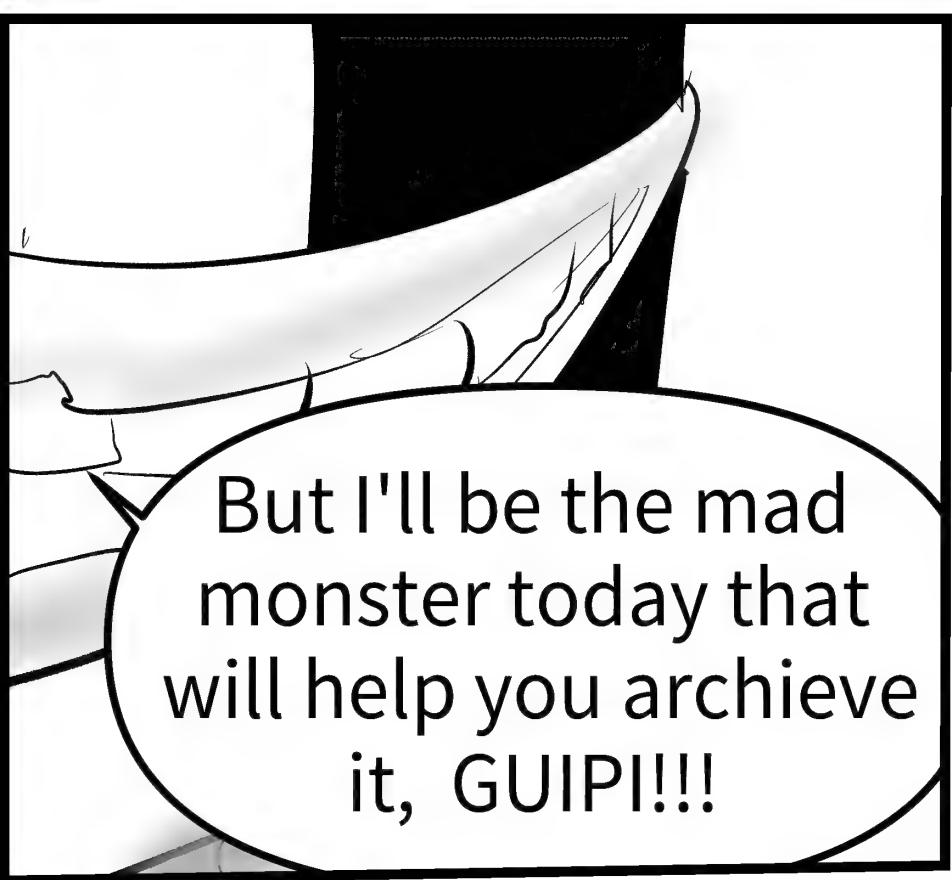

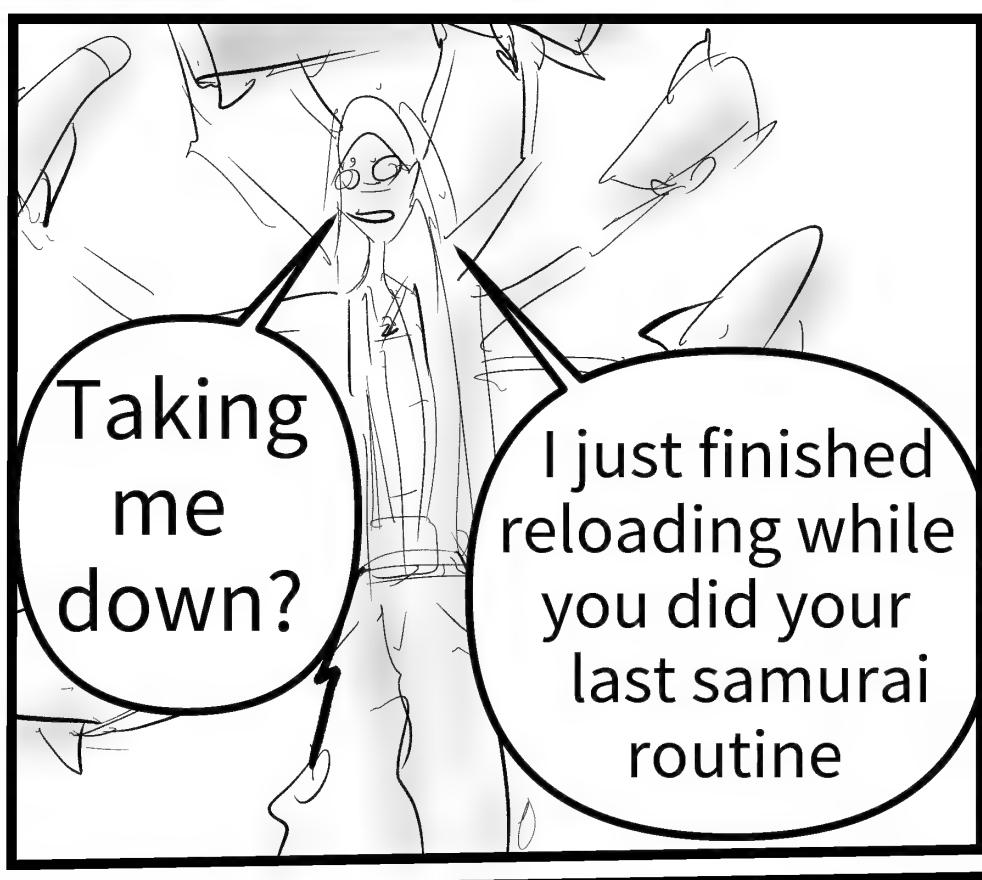

I don't care  
if it plays into  
stereotypes

I won't die  
before taking  
her down  
with me

\*Guipi!\*  
I would say  
thats bad and  
stupid

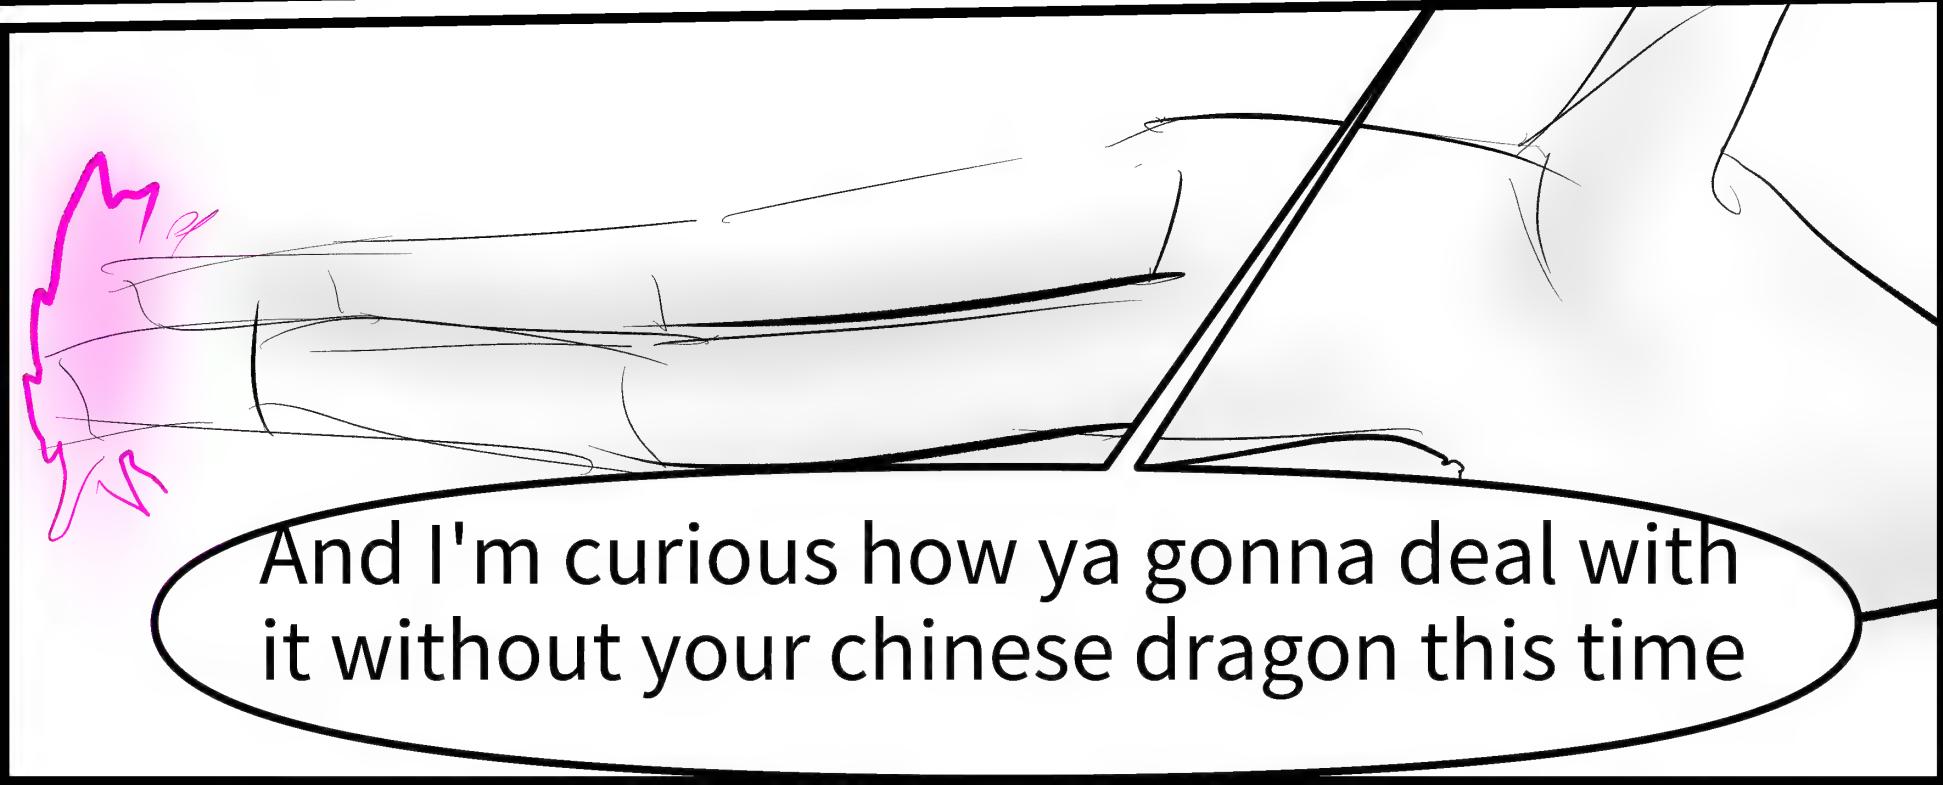

But I'll be the mad  
monster today that  
will help you achieve  
it, GUIPI!!!

Taking  
me  
down?

I just finished  
reloading while  
you did your  
last samurai  
routine

And I'm curious how ya gonna deal with  
it without your chinese dragon this time

# Centipede

Only one

aim, some won't miss

Or maybe I  
did afterall?

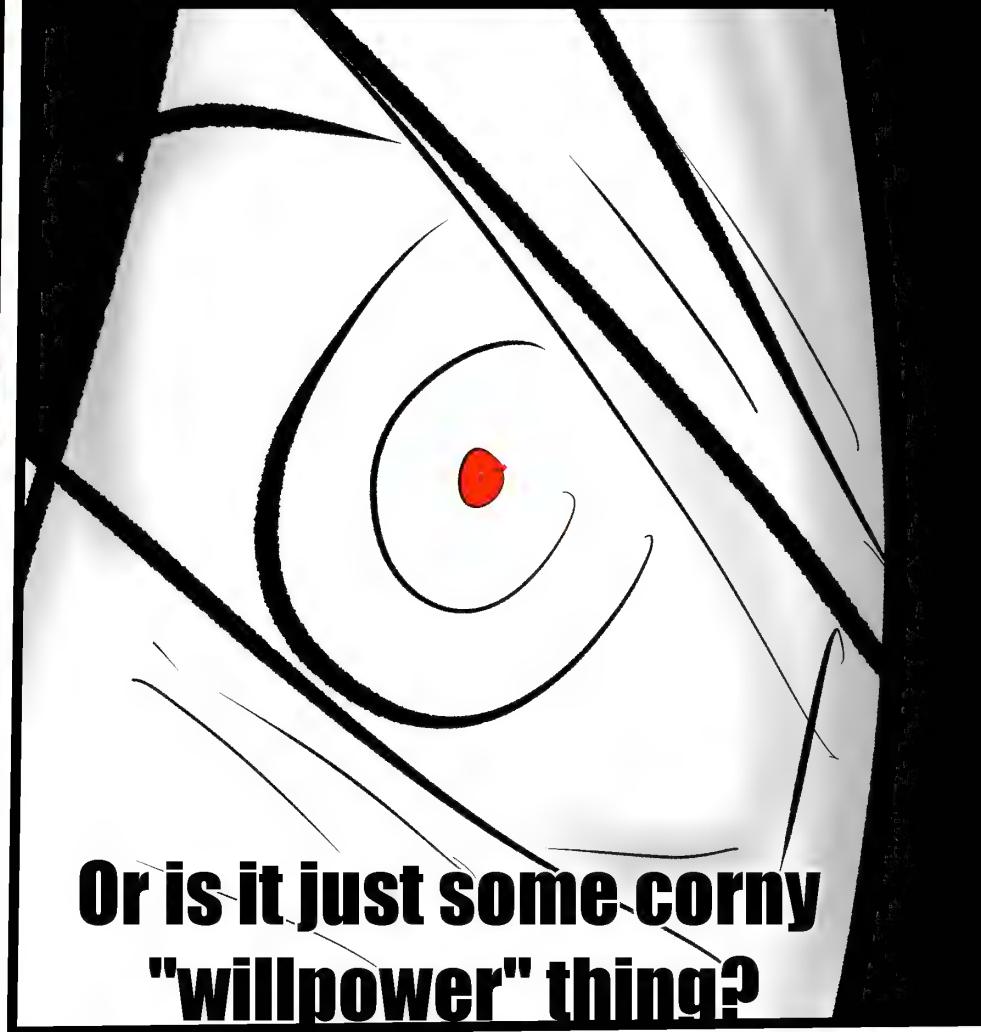

No, it's something else

She just keeps running-

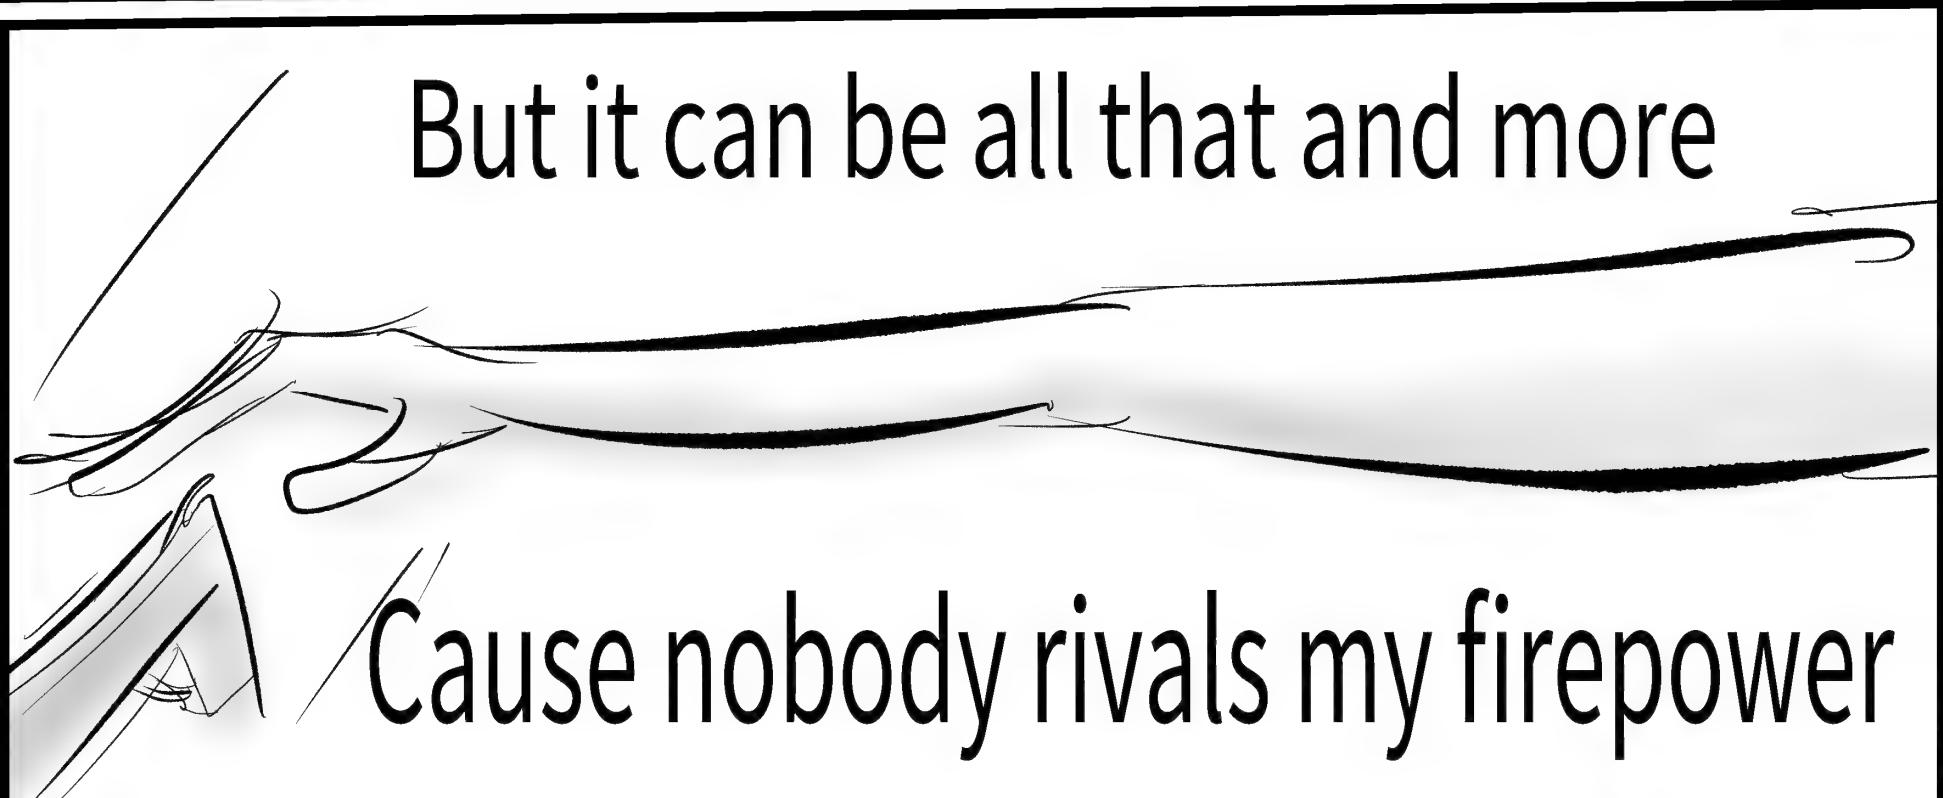

Wait, is that that  
"black blood" thing?!

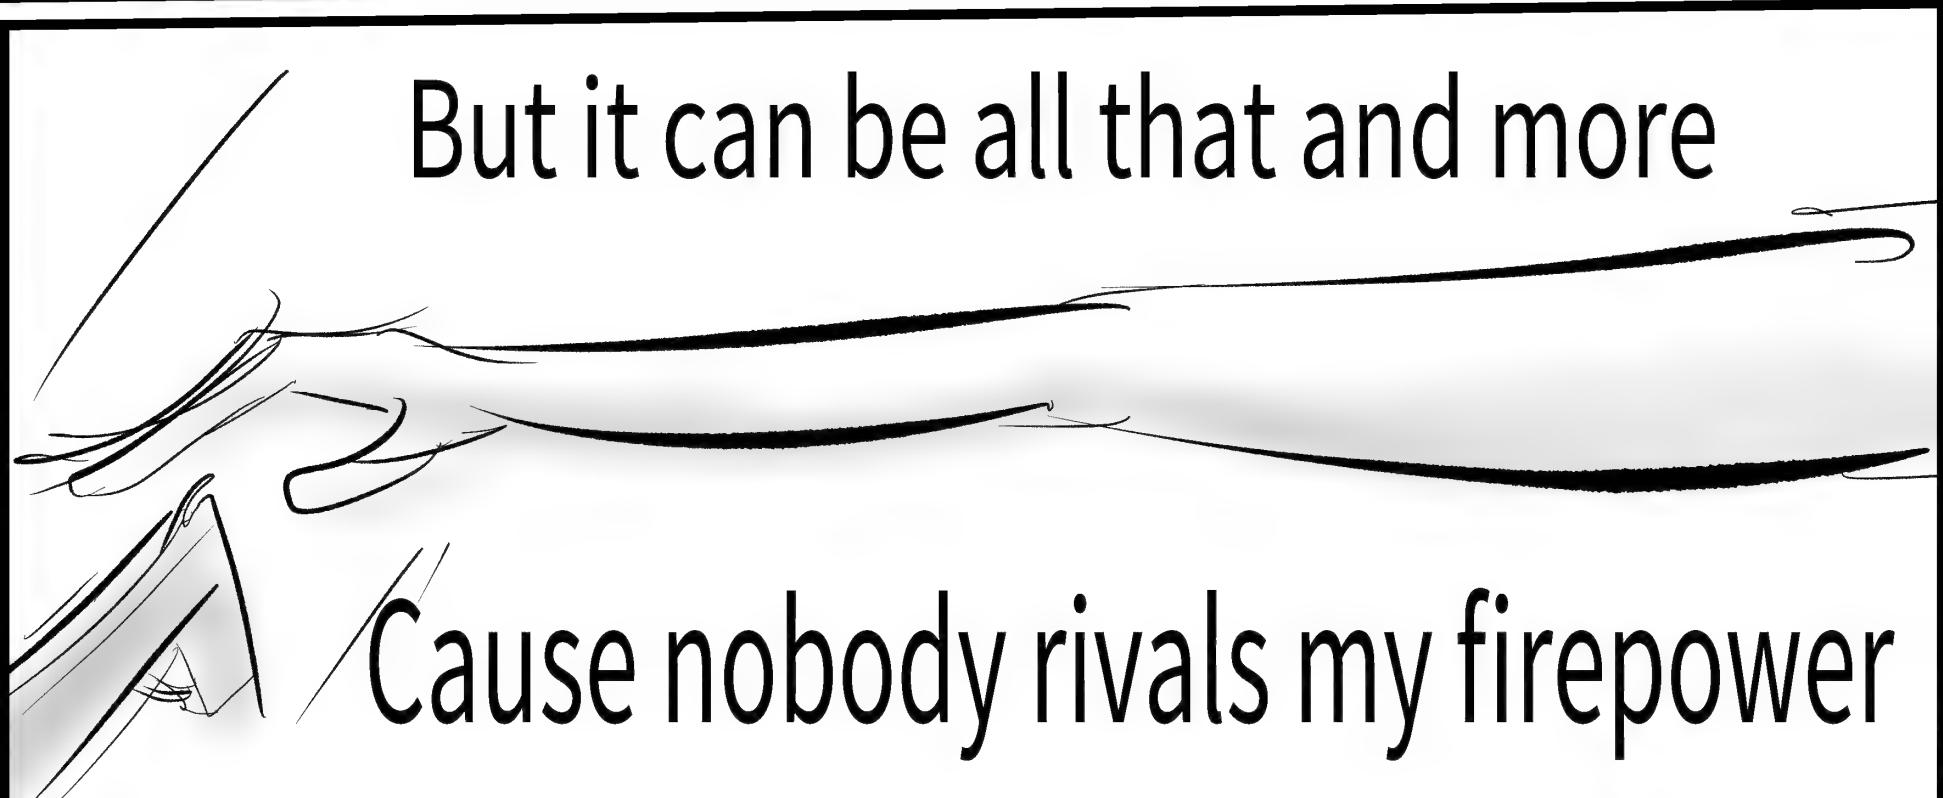

**Was the red stripe  
a cunning distraction?**

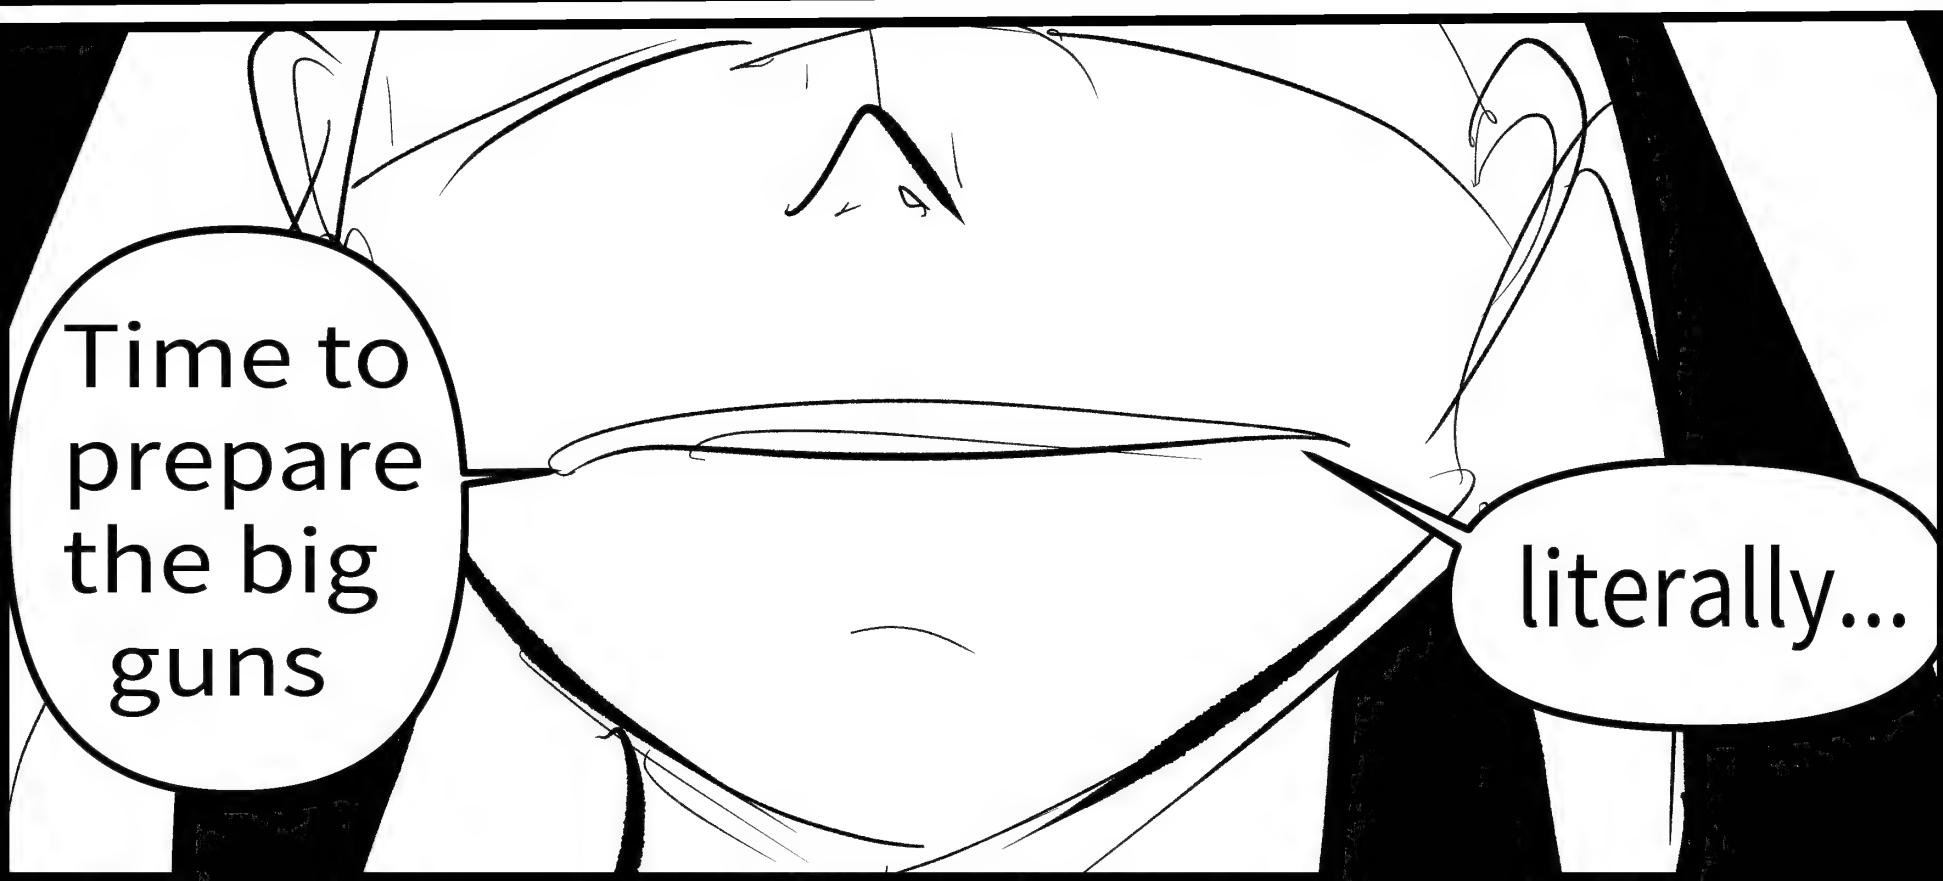

**Or is it just some corny  
"willpower" thing?**

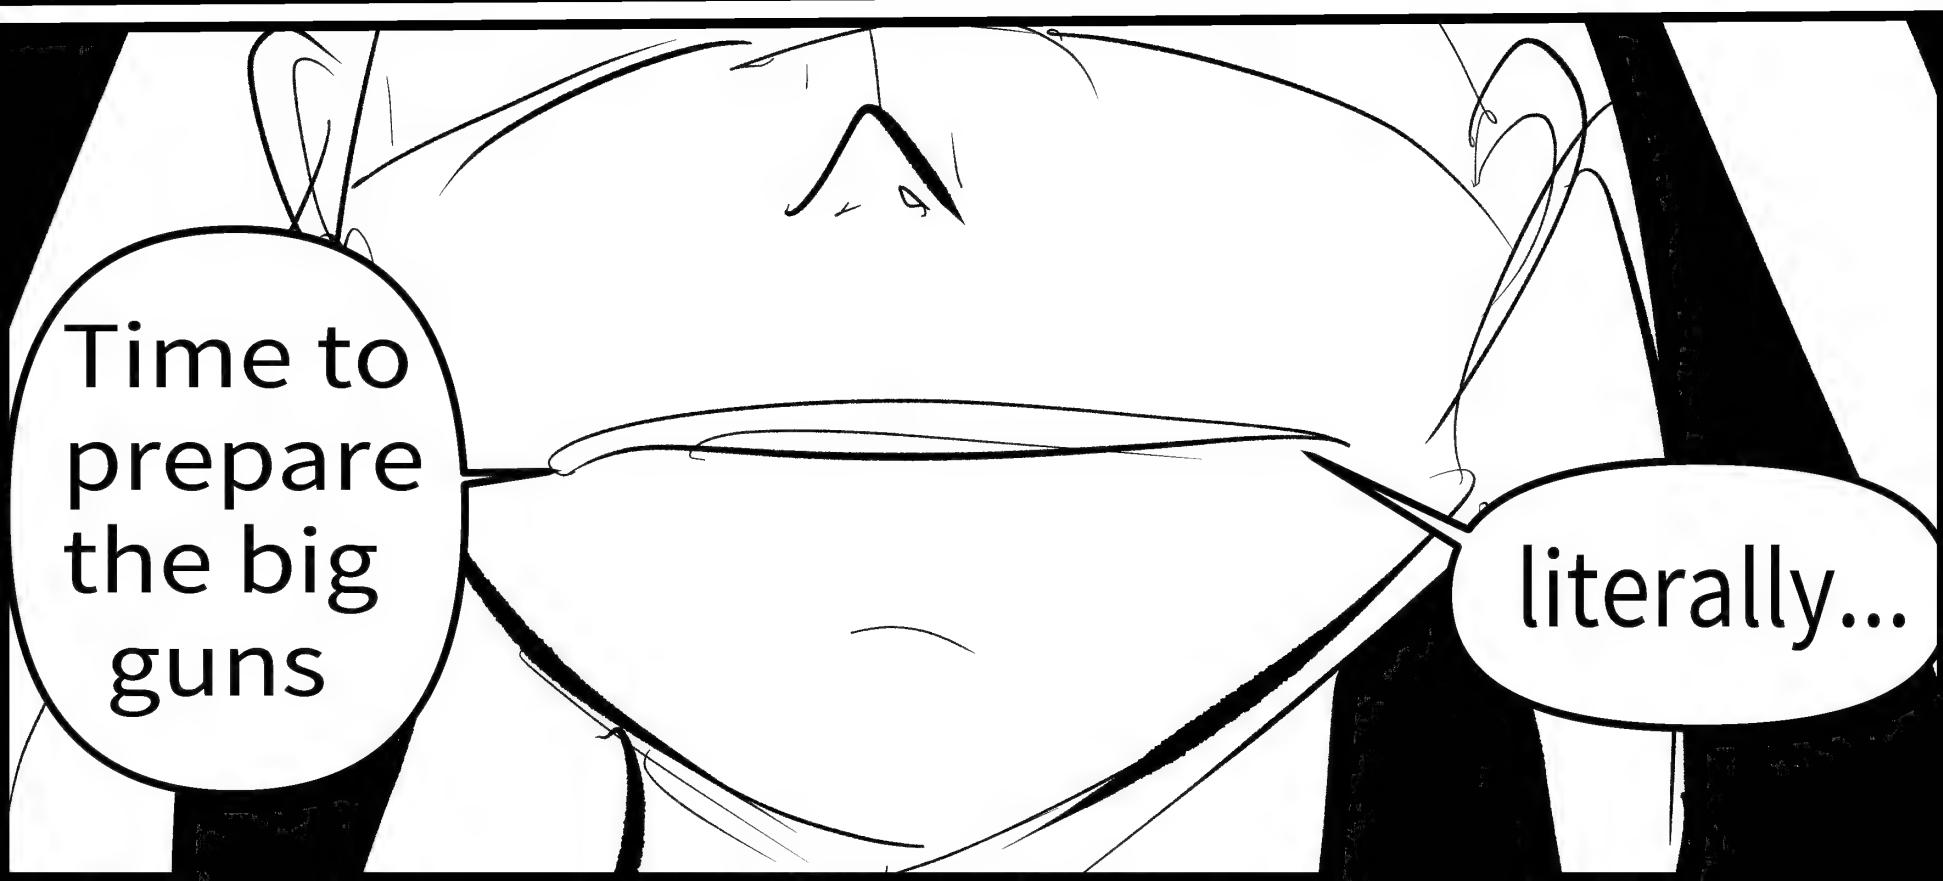

**But it can be all that and more**

**Cause nobody rivals my firepower**

**Time to  
prepare  
the big  
guns**

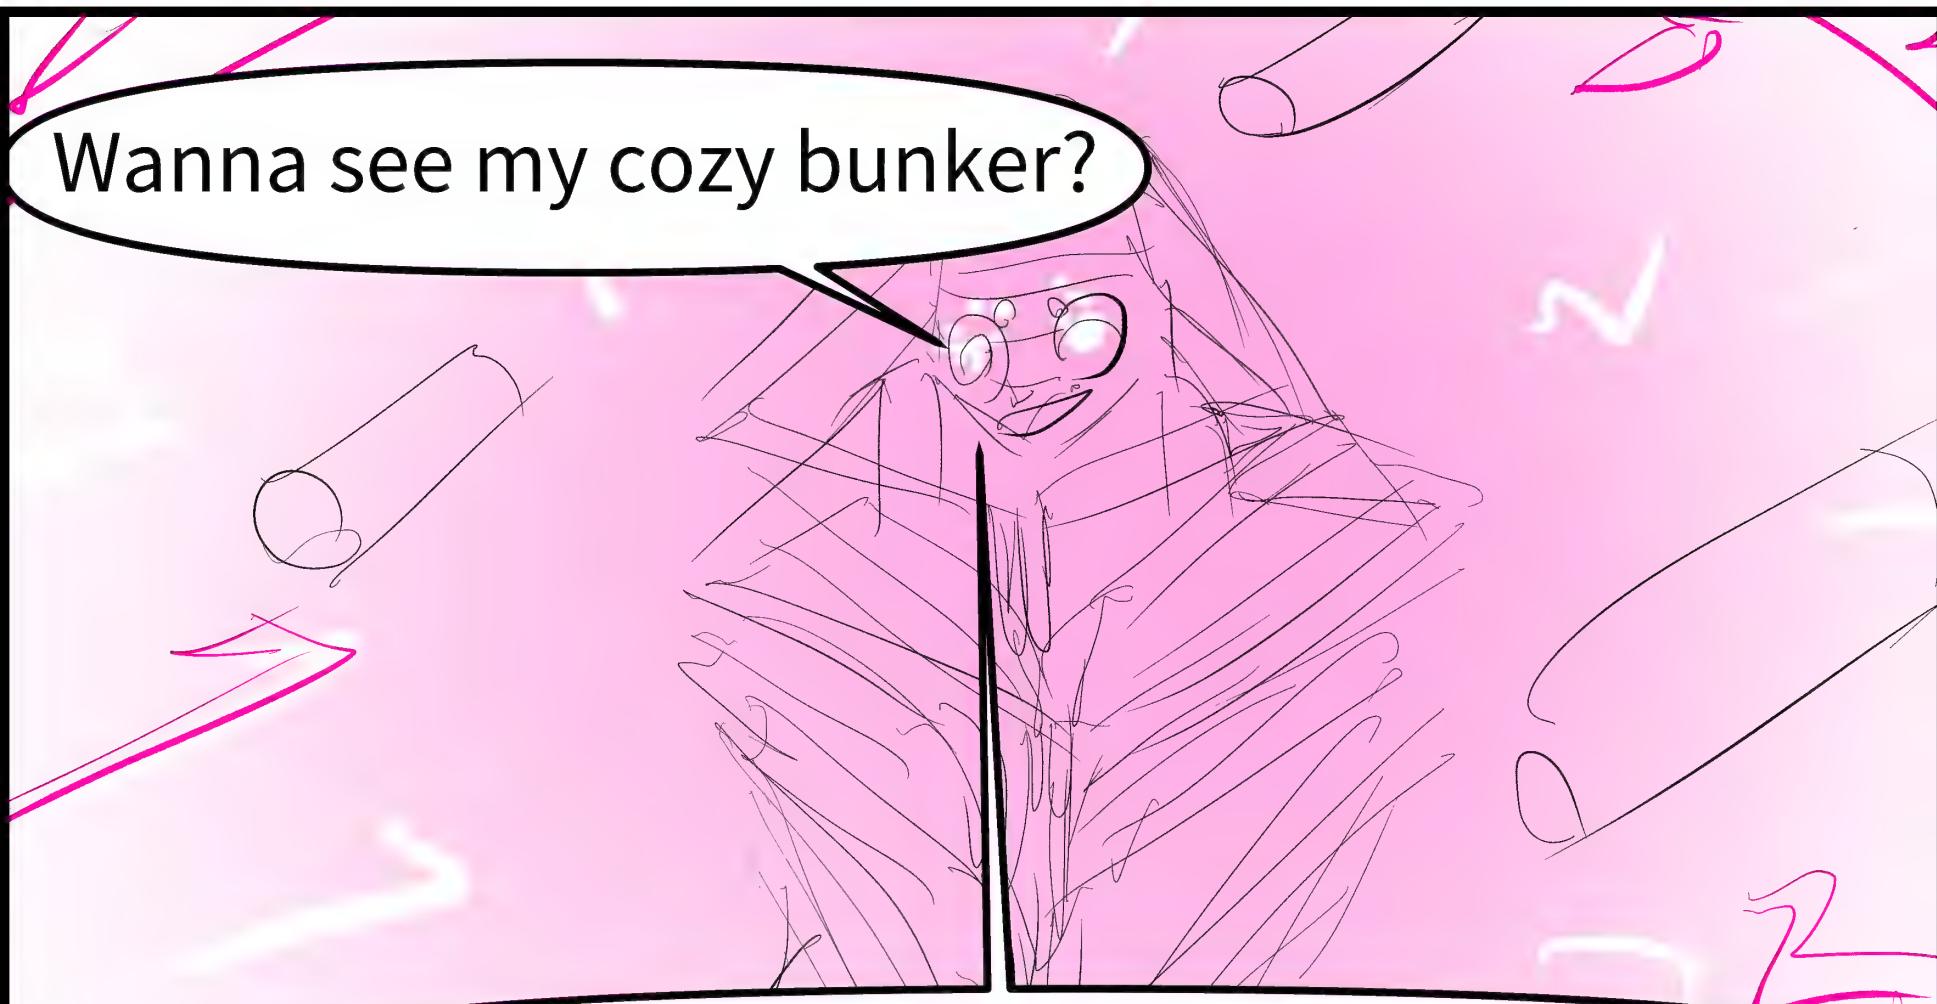

**literally...**

Well, third time's a the charm

Wanna see my cozy bunker?

Sadly, just place for one in this nuke shelter
